MARYLAND STRONG
ECONOMIC RECOVERY
INITIATIVE

As our health metrics remain low and stable, local jurisdictions should focus on our economic health as well.

Only 35% of CARES Act funding for smaller jurisdictions has been allocated.

**All of us must do our part,
look out for one another, and
recommit to the simple
actions that keep us safe.**

Only the people of Maryland can:
Slow the Spread
Prevent the Surge
Keep Maryland Open for Business

MARYLAND STRONG
ECONOMIC RECOVERY
